Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Tiverton Public Safety Communications Project in fiscal year 2023.

The entity to receive funding for this project is the Tiverton Police Department, located at 20 Industrial Way, Tiverton, Rhode Island 02878.

This funding would be used to purchase a state-of-the-art emergency dispatch console for Tiverton's police and fire departments, upgrade the current emergency dispatch center in the police department, and provide essential communications for every public safety official in Town. Enhancements through this project would enable the Tiverton Police Department, Fire Department, and Public Works Department to more efficiently communicate while also allowing for interoperability with neighboring communities. These upgrades would improve town-wide public safety.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. N. Cicilline".
